Review of DME Companies @ KBRC Retreat:

Chairman Floro stated there was really nothing the Board needed to do in regard to DME Companies, other than to continue to monitor people out in the state doing things they should not be doing. Mr. Conn presented an opinion statement for the Board's review and it was decided that the information would be listed in the next KBRC newsletter regarding the scope of practice in regards to DME Companies. Ms. Vogt presented a listing of DME Companies she received from the Pharmacy Board for the KBRC staff.
